

## After School Care Policy

Dear Holy Cross Parents:

In order to provide a structured program for students between the hours of 2:30 and 5:30 p.m., Holy Cross School has an After School Care program which will be held in the Huddle in the Student Center. The program provides supervised time for homework and recreational activities. The program is mandatory for students who are on campus and not participating in Holy Cross supervised extracurricular activities. Teachers will plan their after school activities so that parents can make arrangements to ensure that their sons are picked up, ride the shuttle or participate in After School Care. A teacher will continue to supervise the pickup line until 3:00 p.m. each day at which time any students who have not been picked up will be escorted to the After School Care Program. The daily rate is \$8. The program will be supervised each day by R. Charboneau Holy Cross faculty member. In addition, a second Holy Cross faculty member will work with the program each day.

Daily schedule:

- Supervised homework/study time and snack—2:30-4:00 p.m.
- Optional continued study time/outside recreational activities—4:00 -5:30 p.m.
- The program will begin at 2:10 p.m. on Tuesday--early dismissal days.

In response to requests from parents, there will be an option for students to attend daily.

- The daily rate is \$8. until 5:30 p.m.
- Parents can choose which days over a period of time that they would like for their sons to attend as long as prepayments are made in \$40 increments.

The program is formally over at 5:30 p.m.

\*Pickups after 5:30: If a child is not picked up by 5:30, there will be an additional fee of \$10 for that day due when the student is picked up.

\*\*There is no After School Care program on 11:00 dismissal days.

Payment for the program :

- Beginning this year, there will be a link under Quicklinks on the website for After School Care payments and balance information. (Payments for After School Care will be made the same way that lunch payments are made.)
- Prepayment should be made in increments of \$50.
