

Tiger Prep Days

Your son will ask:

“Will I know anyone?”

“Where are my classes located?”

“Who will I sit with at lunch?”

You will ask:

“Are we going to know his teachers?”

“How is he going to know where to go?”

“Is he going to be okay?”

We anticipate excitement. We understand worry, stress and fear. And it's not just our new students.

What are Tiger Prep Days?

Tiger Prep Days are a full-day orientation designed to introduce incoming students and their parents to Holy Cross School. The day is aimed at preparing families for the Holy Cross experience, which engages the heart, mind, body and soul. The goal is to facilitate a smooth transition for incoming students and parents by developing the skills necessary for first year success.

Tiger Prep Days include events for both incoming parents and incoming students. Students will participate in class retreats led by our Campus Ministry team, Eucharistic Liturgy, lunch in the Huddle and laptop orientation and distribution. Parents will participate with their sons in Eucharistic Liturgy and lunch in the Huddle and then attend a counseling and guidance information meeting and internet safety training. Tiger Prep Days strive to give a comprehensive overview of Holy Cross School while welcoming our new families with opportunities to socialize and participate in training sessions.

Building Respect
Bringing Hope
Being Family
Educating Hearts and Minds
